2016 Retreats

Organized by Copper Ridge Conference Centre

A silent retreat is a special time to break away from daily affairs, a time to assess the present (*How are things going? Where am I headed? Where is God in all this?*) and make resolutions for the future, and to discern how to apply those resolutions in a practical way to one's daily life.

Weekend retreats offer daily Mass, time for personal prayer, reflections and talks on central themes related to living a Christian life within our specific circumstances.

The retreats are conducted by Opus Dei, a personal Prelature of the Roman Catholic Church. For more information on the Prelature of Opus Dei go to www.opusdei.ca.
