Saturday April 7/2018, 7:30pm  
Shaughnessy Heights United Church  
1550 West 33rd Avenue, Vancouver  
Tickets: \$40 or \$70 for 2  
refreshments will be served  
for more info ☎ 604.222.8317

Dear Friends,

The abundant snow of the last few weeks has slowed the construction work but there is still noticeable progress on the site as you can see from the photos on the [website](#).

To help our dream come true, we are happy to announce our second fundraising concert “Copper Ridge Fantasia” will take place on April 7, 2018 at Shaughnessy Heights United Church ([map](#)) at 7:30 pm. Refreshments will be served.

The musical event will feature as special guests: internationally recognized pianist [Lukas Mikołajczik](#), violinist [Kurt Chen](#) and soloist soprano [Monica Rumpel](#). For more details click [here](#). To purchase tickets contact (604) 222-8317.

Enthusiastic supporters of CRCC on Vancouver Island are organizing a [fundraising gala with silent and live auctions on April 21, 2018](#), including two trips to the Holy Land. It's not too late to donate items for their auction or to purchase a ticket. For more information, contact Elizabeth at (250) 483-7459.

All these efforts along with your generosity make it possible for the project to progress. Already, in learning about the project, many hearts have been touched. Last summer at the outdoor Thanksgiving Mass held on the site, a university student, unfamiliar with the project, picked up a brochure showing retreat schedules. Two weeks later she attended a retreat specifically for university

students. She later described how it proved to be the perfect way to dive back into the fall semester with a deeper appreciation for her faith and the wonderful life God has given her. It made her more enthusiastic and optimistic about His plan for her and her life.

We encourage each of you to reach out and share the amazing vision of CRCC. Through this instrument, many lives will be enriched for generations to come.

We thank you for your ongoing support and your prayers.

Best regards,

Fadi
