Liturgical Items of the Oratory

That woman in the house of Simon the leper in Bethany, who anoints the Master's head with precious ointment, reminds us of our duty to be generous in the worship of God. All beauty, richness and majesty seem little to me. And against those who attack the richness of sacred vessels, of vestments and altar, stands the praise given by Jesus: "opus enim bonum operata est in me —she has acted well towards me"
